C-03 What is retained, and until when

Critical Path Partners retains the deliverables and the analysis working file until September 1, 2027 (demonstration) (12 months from delivery of the final deliverable). After that date the file is deleted in the normal course.

C-04 Deletion on request

At any time before then, on written request from Northgate Constructors (Demo), all retained files are deleted within 30 days of the request, and deletion is confirmed in writing.

With thanks for the engagement,

Dana Fitkowski

Principal, Critical Path Partners
